

Hi Patrick

Just want to inform that Flekkefjord this summer celebrates 175 years of as a town. The celebration takes place on 11-13 august. With a great party in the City Saturday, 12. August from 12:00 to 24:00

We would very much like if our sister cities wish to attend. We can help with transport to and from the airport if needed, but do not have the ability to pay for other expenses aside from a dinner with Twin towns delegates Sunday afternoon/evening. At this dinner it is expected that the delegates will present greetings from the twin cities.

A delegation from Scotland and one from the United States have already reported their arrival.

If you would like to participate let us know. If you need a hotel room we can help to order it for you, otherwise we will arrange for you to stay private with a German family here in Flekkefjord.
